Join **NCETA in Wilmington** for a blend of workshops and networking planned to enhance your educational and professional development. While in Wilmington, take time to explore downtown, visit historic sites, shop nearby malls, and network with colleagues and new friends. Topics this year include: tips for serving special populations; professional development; and updates on state and national trends. All workshops address specific training needs and your registration fees are considered program costs under the Workforce Investment Act.

Come early Wednesday! Start your conference experience off at **10:00 am Wednesday!**

Top 5 Hot Topics of NCWorks Online – Michael Hoskins

- **Preventing Job Scams:** This starts with verifying Employers and monitoring to make sure they are not abusing the data in NCWorks
- **Forgot Password:** How to deal with the volume of lost passwords and how best to communicate with individuals and employers
- **Provider Registration:** How to communicate with Training providers and allow them to access NCWorks online to create their own programs
- **Scanning Documents** in NCWorks that are used for Data Verification
- **Reports:** What are the most common reports and how to save the filters to easily run again.
